## Official Rules & Regulations

### THE GAME

The object of the game is to eliminate all opposing players by getting them "OUT". This may be done by:

1. Hitting an opposing player with a LIVE thrown ball below the shoulders.
2. Catching a LIVE ball thrown by your opponent before it touches the ground. This will also bring back in the first person eliminated on your team.
3. Definition: LIVE: A ball that has been thrown and has not touched anything, including the floor/ground, official, or other item outside of the playing field (wall, ceiling, etc.)
4. If a ball reflects off of a teammate or blocked by a ball and hits another player without touching the ground, that person is out. The ball is live until hitting the floor, ceiling, or wall.

### BOUNDARIES

During play, players may not at any time cross the centerline. All players must also remain within the boundary lines except when retrieving balls. If not, the referee can call you out.

### THE OPENING RUSH

Game begins by placing the dodgeballs along the centerline. Players then take a position behind their end line. Following a signal by the referee, teams may approach the centerline to retrieve the balls. Balls may be thrown after they have been brought back to the team's own end line.

### TIMING AND WINNING A GAME

The first team to legally eliminate all opposing players will be declared the winner. A 5-minute time limit has been established for each contest. If neither team has been eliminated at the end of the 5 minutes, the team with the greater number of players remaining will be declared the winner. If there is the same amount of players left on each side, the team will be given an extra minute for elimination.

### 5-SECOND VIOLATION

In order to reduce stalling, a violation will be called if a team controls all the balls on their side of the court for more than 5 seconds. This will be penalized by one of their players being called out. This call is up to the referee's discretion.

### RULE ENFORCEMENT

During the tournament, rules will be enforced primarily by the "honor system." The referee's responsibility will be to rule on any situation in which teams cannot agree. Excessive arguing will result in player dismissal.

### ORDER A T-SHIRT

**T-Shirts can be ordered for \$15. If you would like to order a shirt, please mark your size below.**
